

PUBLIC SERVICE ANNOUNCEMENT

COMMUNITY CLEAN-UP SUPPLIES STILL AVAILABLE

JULY 13, 2017 (IQALUIT, NUNAVUT) - The City of Iqaluit would like to thank all residents and businesses who participated in this year's community clean-up event, and large item pick-up. Working together as a community resulted in two very successful events that helped to reduce the amount of debris through-out the city.

The City and Government of Nunavut would also like to advise residents that supplies are still available, for those groups or individuals who would like to continue to clean areas.

For rubber gloves and garbage bags – including heavy-duty bags – please contact Government of Nunavut, Department of Environment employee Daniel Inuarak at DInuarak@GOV.NU.CA, or at 867.975.7722.
