## **PUBLIC SERVICE ANNOUNCEMENT**

### ***Public Information Session on the Development of Lands Along Federal Road***

**MARCH 20, 2017 (IQALUIT, NUNAVUT)** – The City of Iqaluit and Qikiqtaaluk Business Development Corporation are collaborating on a neighbourhood plan in the Federal Road area. The study area covers some new development lands between Federal Road and the Plateau. The first stage in the planning process is to analyze opportunities and constraints and consider options.

There will be a **Public Information Session** held on **Wednesday March 29 from 6:30-9:00 PM at the Catholic Parish Hall (building 911) to share this information with community residents.** This meeting will include a presentation, followed by a question and answer session. There will be an opportunity to provide comments on some key areas. Full interpretation will be provided for the meeting. Representatives from the City of Iqaluit, the Qikiqtaaluk Business Development Corporation, and the consultant team will be available to answer questions about the project. Refreshments will be provided.

The end result of the project will be a new land use plan for the lands south and north of Federal Road. This plan will be presented to City Council for adoption, and will become the guiding policy document for land use decisions for the area.
